Space #

To ALL those using a space at Whiting Park for the yard sale during Ripley's on Sale:

There is to be no tobacco/vaping on the soccer fields. There are to be no pets on the soccer fields. Please stay away from the soccer goals/nets and keep your children out of them too. Please do NOT drive between the parking lots on the access road. You can drive around on the main road. There will be barrels set up at each fence line.

Jackson County Soccer League and/or the City of Ripley is not responsible for accidents or for lost or stolen items. These are the sole responsibility of the seller. Some will be staying thru the night with their items. You are welcome to do this. Those staying are only responsible for their own property.

There is no charge to set up in your space, donations are welcome and will go to the Jackson County Soccer League. There is a \$10 deposit to hold your space for the two days. On the second day, you can get your \$10 back. This is due to people saying they will be there to set up and not showing up.

There are bathrooms for your use. Please respect those. Trash barrels are set out for trash and there is a dumpster to place things in also. Please keep the trash off of the fields.

By signing and dating below, you agree to all of the above and will abide by these rules.
